

## **How to Help**

The Hope Out Loud 10 Organizing Committee welcomes your participation in this year's event on Sunday September 11, 2010. Please use this opportunity to join us as we **Hope Out Loud** that *a peaceful world is possible*.

## **HOPE OUT LOUD – Hurrah!**

**Sponsors** are non-profit, spiritual and grassroots organizations who want to be listed as supporters of Hope Out Loud and *may* commit time and talent as volunteers. Members plan to be present on the day of the event. Your organization's name will be included on promotional materials and a table will be provided. Sponsors are welcome to join the organizing committee and are encouraged to participate fully in producing the Festival. A donation of \$ 50 to \$ 100 is suggested for Sponsoring organizations. A 4.25" by 5.5" space in the HOL Program Book will be provided for \$100 'Golden Dove' sponsors. *A final printing of full color posters and window cards is planned soon so register early to be included on these materials*

**Tabling** – plan on having your non-profit, spiritual, grassroots organization or political party represented at the Festival. Share your message and your mission among hundreds of people interested in creating peace, economic equity, social justice and environmental sustainability. Your organization will be provided with a table. A donation of \$ 25 is suggested for Tabling organizations.

**Individuals** can join us by attending the organizing committee meetings, volunteering (see back page), networking with relevant contacts, and donating materially or financially. While we work to keep expenses to a minimum there are real costs to producing this event. *Individual Sponsors*, suggested donation \$ 25 or more, will have their names listed in the Festival Program, with permission.

*All Donations are suggested not expected – limited funds should not be a barrier to full participation.*

**Supporting Organizations** can plan to join in many other ways. From organizing and promoting the Festival to plans for having a group picnic on the day of the event, having a table or volunteering as a group or as individuals - make sure you and your priorities are part of the day.

**Promotion** – spread the word and promote the Festival. Include Hope Out Loud 10 in newsletters, Facebook, progressive radio and TV, e-lists, at meetings, events, on calendars, etc. We will provide you with multiple promotional materials for distribution - flyers, window cards and more. Download the flyer and distribute it widely. Pass Hope Out Loud registration materials along to friends and relevant organizations. Help spread the word.

**Vendors** – join us at the Festival and show your wares to hundreds of Hopeful People spending a day in the sun. A contribution of \$ 25 to \$ 50 is requested from vendors. Tabling space will be provided. The City of Hartford requires a permit – please contact us for details.

## **VOLUNTEER with Hope Out Loud 10**

Hope Out Loud is all volunteer produced and there are many opportunities for everyone to get directly involved. A large number of volunteers are needed on the day of the event to assist with set-up and strike, at the beginning and end of the Festival respectively. In addition a volunteer grounds crew, stage assistants, and Hope Out Loud table leaders are needed. The Family and Children's Activity Area will need a large crew – those interested should also consider volunteering during the summer (see below) to gain experience.

Summer volunteers are also needed to help with promotional material distribution, telephone outreach and follow up as well as the general planning of the event.

Hope Out Loud is fun to produce and provides many, varied opportunities to exchange ideas and develop relationships within the activist, arts and advocacy communities.
