

# Hope Out Loud Coffeehouse – Final Hurrah

Ten Peace Festivals, more than 80 Coffeehouse events, 8 August 6<sup>th</sup> Hiroshima/Nagasaki Remembrances, support to dozens of community events and even comes with a Chili Cook Off!

We've come a long way since 9/11 and the times have kept on changing.

The Hope Out Loud Coffeehouse and Open Mic will be coming to a close and we you there for the final night of an 8 year run. The show was a success - nights of music, spoken word, free speech and good company

While we celebrate the achievements we are confronted by challenges. To continue we will need more people to step in to keep Hope Out Loud alive. If you want to help the final Coffeehouse will be an opportunity to make this step. Let us know how you want to help continue Hope Out Loud, *the Festival and all the frills*, creatively utilize the arts to promote peace.
